

Reporting Hits & Packages

Reporting Packages & Kits

NEW

Fyrite® Classic Oil Hit

- Oil burner combustion kit
- CO₂ indicator, True Spot Smoke Tester, Oil Burner Smoke Scale, Fire Efficiency Finder, Tempoint Dial Thermometer, MZF Draft Gauge and hard carrying case

Part No. 0010-5022

Fyrite® Tech Hit

- Measures O₂, CO, stack temperature and ambient temperature
- Calculates combustion efficiency CO₂, CO air free and excess air
- Includes hard carrying case, rubber boot and IrDA printer

Part No. 0024-8326

PCA® 2 with Reporting Package

- CO, O₂, Stack Temp., Air Temperature and Draft differential pressure measurement
- Includes factory calibrated B-Smart™ Sensors, USB cable, software, spare filters, batteries and IrDA printer

Part No. 0024-8370

Fyrite® INSIGHT with Reporting Package

- Includes USB cable, software and printer

Part No. 0024-8251

PCA® 2 [4 Gases with Reporting Package]

- Commercial Combustion Analyzer
- Measures CO, O₂, NO, NO₂, Stack Temp., Air Temperature and Draft differential pressure measurement
- Calculates efficiency, excess air CO₂, CO Air Free and NO_x
- Includes probe and hose assembly, factory calibrated B-Smart™ Sensors, USB cable, software, spare filters, batteries and printer

Part No. 0024-8374

ECA 450 with Kit

- Conducts accurate combustion and emissions tests
- Measures O₂, CO, NO, NO₂, SO₂ and draft
- Calculates combustion efficiency, excess air, carbon dioxide, NO_x and pollution units
- Stores over 1,900 test records and offers over eight hours of battery life
- Includes built in printer and compact sample conditioner

Part No. 0024-8401

Specialty Products

Specialty Products

True Spot®

- Measures smoke density in the flue gases from distillate fuels
- Includes filter paper scale and pump lubricant

Part No. 0021-7006

Portable Manometer

- Measures gas pressure in natural gas lines

Part No. 0017-7002

Monoxor® III

- Locates CO in ambient air as well as stack gases
- Battery powered, hand-held instrument that can quickly and accurately measure levels of CO between 0 and 2,000 ppm
- Includes batteries, probe assembly and hard carrying case

Part No. 0019-8104

Sling Psychrometer

- Humidity tester
- Accurately determines % relative humidity
- Built-in slide rule calculator which correlates wet and dry bulb thermometer readings

Part No. 0012-7012

Snifit

- Carbon monoxide analyzer for ambient air

Part No. 0019-7060

Draffrite

- Pocket Gauge measures negative and positive pressures in flue gas applications
- Includes draft tubes and pouch

Part No. 0013-3000

CORE PRODUCT GUIDE

BACHARACH IS A U.S. BASED MANUFACTURER

REV NO. 1 / 8/08

Fyrite® Combustion Analyzers

Fyrite® Classic

- CO₂ Testing Kit
- Includes sampling assembly and carrying case

Part No. 0010-5000

Fyrite® Tech

- Measures O₂, CO, stack temperature and ambient temperature
- Calculates Combustion efficiency, excess air, CO₂ and CO air free
- Includes hard carrying case and rubber boot

Part No. 0024-8226

Fyrite® INSIGHT

- Five Tools in ONE!
- New B-Smart™ Technology
 - Self calibration
 - Easy access to sensors
- User diagnostics
- O₂ sensor life indication
- Calibration reminders
- Graphic LCD display
- PC based software and reporting package (Optional)
- Customize with your company logo
 - Upload custom fuels
 - Software updates

Part No. 0024-8250

PCA® 2

- Commercial Combustion Analyzer
- Measures O₂, CO, stack and ambient temperature and draft
- Calculates efficiency, excess air CO₂, CO air free
- Includes hard carrying case, rubber boot, probe assembly, 4 batteries, B-Smart™ Sensors, USB cable and PC software

Part No. 0024-8350

ECA 450

- Industrial Combustion Analyzer that measures O₂, CO, stack temperature, ambient temp and draft/pressure
- Calculates excess air, CO₂, pollution units and combustion efficiencies
- Hard carrying case, probe assembly and built in printer

Part No. 0024-7221

Gas & Refrigerant Leak Detectors

Leakator® Jr.

- Combustible Gas Detector
- Includes sensor, soft case and batteries

Part No. 0019-7075

Leakator®

- Combustible Gas Detector
- Low maintenance combustible gas leak detection unit
- Pinpoint large and small leaks quickly, while checking a relatively large area in a short amount of time
- Includes custom carrying case

Part No. 0019-7051

HTOG

- Refrigerant Leak Detector detects all CFC, HFC and HCFC refrigerants
- AC Powered
- Includes Leak Reference Bottle, Probe Tip and Filter Kit

Part No. 3015-0456

HTOPM

- Refrigerant Leak Detector detects all CFC, HFC and HCFC refrigerants
- Battery charged
- Includes Leak Reference Bottle, Probe Tip and Filter Kit

Part No. 3015-0627

Gas & Refrigerant Leak Detectors

Tru Pointe

- Refrigerant Leak Detector
- Premium quality leak detector at an affordable price
- Instantly responsive to all refrigerants
- Includes hard carrying case and batteries

Part No. 0019-8106

Informant® 2

- Refrigerant and combustion leak detector
- Includes refrigerant and combustion sensors, color coded sensor tips, batteries, filters and hard carrying case

Part No. 0019-8038

H25-IR

- Refrigerant Leak Detector
- Used for the low-level detection and leak-rate quantification of CFCs, HFCs, HCFCs and halogen gas compounds that are used in air conditioning and refrigeration equipment, fire suppression systems, and various other residential, commercial and industrial apparatus
- Includes 12 foot probe and hose assembly

Part No. 3015-4417

Air Conditioning & Refrigeration

The Stinger™

- Air conditioning recovery machine
- Recovers all CFC, HFC & HCFC refrigerants

Part No. 2000-3300

HGMSZ

- Single Zone Refrigeration Gas Leak Monitor
- Infrared detector based unit designed for continuous single-point monitoring of CFC, HFC, HCFC Refrigerants and Halon Gases
- Displays both the current and peak gas levels
- Includes termination filter and 50ft of 304-2743 sample / exhaust / purge line tubing

Part No. 3015-4200

HGM-MZ

- Multizone Refrigeration Gas Leak Monitor

Part No. 3015-5043

Tools

Tubing Cutters

- HT780 tubing cutter, 1/8" - 7/8" O.D.

Part No. 2002-0780

Tubing Benders

- HT 666 3 in 1 Tubing Bender. For 1/4", 5/16" & 3/8" OD

Part No. 2002-6700

Flaring, Swaging & Cutting Kit

- Flaring tool with 2 flares 1/8" to 3/4"
- AC ratchet wrench with 3/16", 1/4", 5/16" and 3/8" square sockets
- Five swaging heads sizes 3/16" to 3/4"
- Kit comes with a plastic molded case

Part No. 2002-6500
